

WALKERS NEEDED STOUT BOOKS FOR AFRICA WALK

APRIL 26, 27 and 28

Join the 77 year old BOOKS FOR AFRICA Founder in carrying a University of Wisconsin-Stout donated book on the first part of its journey to Africa. We will walk on backroads, city streets and on the banks of the Mississippi the 66 miles from Menomonie to St Paul over the three days. Each day will be divided into two 11 mile segments.

The purpose of this endeavor is to highlight the generosity of the Stout Resource Center over many years, to promote awareness of the BOOKS FOR AFRICA cause, to raise funds for same, and to provide a worthwhile exercise opportunity for the participants who need only walk as many segments as they feel comfortable with.
